The DeLane Mystery.

The jury summoned to investigate the death of Frank M. DeLane, whose mutilated body was found on the tracks of the Washington-Southern Railway early last Sunday morning, was again in session at the Alexandria county court house yesterday, but adjourned without a verdict. The jury will reassemble as soon as additional information can be obtained. Coroner Ashton and Sheriff Palmer are trying to solve the mystery and it is quite probable that they will soon secure important witnesses. It is still believed by many that DeLane was murdered, robbed and his body placed upon the track where found. As has heretofore been stated, he left his home last Saturday night to attend a theater in Washington, and it is presumed that he missed the last electric train and started to walk to Del Ray. It is said that he had a gold watch and a roll of money, estimated at \$200. When the body was found the watch was missing, and the pockets of his clothing contained only two car tickets and a few pennies. It is reported that DeLane was in company with a negro named Young, whom he met on the road after leaving Washington.

Mr. John Cornell, a constable of Alexandria county, last night arrested Young on suspicion of being connected with the supposed murder of DeLane. He was brought to the station house in this city. Young, it is alleged, was seen with DeLane while on his way home from Washington. After the arrest the negroes identified Young as the man seen with the deceased. Their identification consisted in pointing out a prominent scar on the face of the negro, which might be seen in the dark, if one was close enough, or in the dimly lighted streets of Rosslyn. The man under arrest has a scar such as described before the arrest by the informants. Young denies being with DeLane on the night of the supposed murder, or at any other time. He says he was at Culpeper Court House the night DeLane was walking home from Washington. Special Officer Pennypacker came here today and took Young to the county where he will be examined by Justice Burrill.

Lecture at the Seminary.

In accordance with the announcement in the Gazette Mr. Silas McBee, editor of the New York Churchman, delivered a very instructive and interesting lecture on Church Architecture at the Episcopal Seminary, near this city, Thursday evening. Mr. McBee has full command of his subject, having seen and studied the finest church edifices in Europe. In his opening remarks he said that in engineering and commercial buildings America stood ahead of the world, but in church architecture she still had much to learn. He then showed the progress of religious architecture and its ideals from the pyramids of Egypt to the noblest conception of all found in the Gothic cathedrals of Christendom. He also stated the great principles dominating all religious architecture, illustrating everything by fine stereopticon views of the great religious buildings of the world. The lecture was listened to with much interest on the part of the audience, and all expressed themselves as delighted with Mr. McBee's presentation of this important subject.

Mr. McBee also gave a most excellent address at the weekly faculty meeting. This meeting was also attended by Dr. Kelly, the celebrated surgeon of Baltimore, who closed the meeting with an earnest talk to the students, admirably seconding the address of Mr. McBee. Both gentlemen made a fine impression upon the students and professors of the seminary, and their effective words on the subject of Christian living being the best proof of Christian doctrine will be long remembered.

Police Court.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

John F. Whalen, arrested by Officer Beach charged with carrying concealed weapons, had his case continued.

Robert Smith and James Bell, both colored, arrested by Officer Beach and Joseph Williams charged with stealing shoes from J. Bernheimer & Co., were fined \$5 each.

Thomas Young, colored, arrested by Constable Cornell in Alexandria county, was held for the action of the county authorities.

"Dora Thorne."

The four-act drama, "Dora Thorne," was presented at the Opera House last night to a large audience. The company was an excellent one and its interpretation of the play was above criticism. Sadie Marion as Dora Thorne was a really lovable heroine, while Forest Zimmer handled his part of the hero in a very good style. The best part in the play was that of Lady Charteris, as played by Myrna Ketchum. Her portrayal of the part of the scheming woman was decidedly clever and without a flaw. The comedy role was in the care of Wm. Fitzsimmons, and many a hearty laugh was heard throughout the drama at his expense. Gertrude Barker essayed the role of the winsome Alice Earl and was excellent in the part. Theshow was an excellent one, and carries with it good scenery and beautiful costumes. The next attraction will be on Thanksgiving Day, when the Mildred and Ronclere Company will appear in this city.

Alexandrian Best Guesser.

Mr. J. E. Kidwell, pay clerk of the Panama Canal Commission, was the lucky guesser in a contest recently. Seven thousand eight hundred and ninety-eight beans were deposited in a jar by a clothing company and a suit of clothes offered to the person making the closest guess to the number. Mr. Kidwell's best guess, and, as it turned out, the winning one, was 7867, just 31 short of the correct number. Mr. Kidwell got the pick of a suit of clothes. Mr. Kidwell is a well-known native of this city. In letters to friends here he states that sanitary conditions at Panama are improving, and that eventually yellow fever will be stamped out. There are several other Alexandrians at Panama, all of whom transmit their best wishes through Mr. Kidwell, among them being Wm. P. Henshaw, J. G. Holcombe, Charles M. Cuvillier and Clayton Crupper.

Projected Board of Trade.

A meeting of citizens of Alexandria and Fairfax counties was held yesterday in the office of Mr. Frank Lyon in Rosslyn for the purpose of considering the project of forming a board of trade, and for organizing a bank or a trust company in the interest of the residents of the counties named. The matter of forming a board of trade was first discussed and a committee was appointed to present plans. The meeting then took up the matter of organizing a trust company, a national bank or a State bank, and the decision was reached that a trust company would be better suited to the character of the business of the two counties. It was also decided to hold another meeting next Wednesday, when it is expected the board of trade will be formed and arrangements completed for launching the banking institution.

Potomac Lodge L. O. O. F.

At a regular meeting of Potomac Lodge of Odd Fellows, last evening, at their hall on north Columbus street, the second degree was conferred on two candidates and two applications for membership were received. The committee who had charge of the selection and purchase of new paraphernalia made their report, turning the same over to the lodge. It is the most beautiful in this section of the country, and cost hundreds of dollars. The degree teams are practicing for the different degrees under the direction of P. G. W. L. Martin, who is working assiduously to have the crack teams of the country. The lodge is increasing very rapidly with a young membership, having taken in over eighty members in the last year.

Corporation Court.

[Judge L. C. Barley presiding.] Charles Jewell vs. Gertrude Jewell; rule issued against Charles Jewell to show cause why he should not be punished for contempt of court in failing to comply with terms of the decree in this case.

Eustice Jeffries, guardian, vs. Wm. Kier; decree removing Wm. Kier as trustee and appointing R. H. Cox trustee of the estate of Emily Gibson, colored, and referring cause to Henry O'B. Cooper, commissioner, for report. James Jackson vs. Lindsay Jackson, a suit for divorce; compromised, and case dismissed.

The Market.

The market this morning was not abundantly supplied with country produce, although it seemed to be equal to the demand. Vegetables, fruits and some other articles had undergone no material change in prices since last Saturday, but others were soaring upward. Eggs sold at 40 cents a dozen and were firm at those figures. Dressed poultry was scarce and high. One turkey was on exhibition. It was held at 25 cents a pound. Chickens ranged from 35 cents up, ducks 50 a 75 cents and rabbits 35 cents each.

Charter.

The State Corporation Commission has granted a charter to the North American Export Company, incorporated. Principal office, Alexandria. Incorporators: Harvey P. Wellman, president; Fred S. Neve, secretary, both of Washington, D. C. Capital stock: Maximum, \$50,000; minimum, \$5,000. Object and purposes: To conduct a general agency business in any manner of merchandise, to buy and sell patents, represent American manufacturers in foreign countries.

Thrown from a Horse.

Mr. Joseph T. Roberts, engineer at the pump house of the Alexandria Water Company, was thrown from his horse on King street, between Washington and Columbus, late yesterday evening, and one of his legs was broken. The horse took fright at a passing electric train. Mr. Roberts was taken to his home, No. 517 Queen street.

Mild Weather.

The mild weather of yesterday was followed by cloudiness toward the close of the day and light showers early last night. The temperature today has been akin to that of spring, rendering overcoats and wraps a burden and fires for heating purposes unnecessary. Colder weather is predicted.

Personal.

Rev. Dr. J. F. Brooke, pastor of the Second Presbyterian Church, will be absent from the city tomorrow. Rev. H. H. Hawes, D. D., of Charlottesville, will preach at both services. It is rumored that Mr. Thomas Gorham, one of the oldest engineers on the Southern Railway, is about to retire from the cab. Mr. Gorham has been running on a locomotive for nearly forty years, and in all of that time it is said that not a single passenger has ever been killed on a train behind him.

Acting Assistant Surgeon J. T. Miller has been ordered home from the Naval Hospital, Sitka, Alaska, to await orders. Mr. and Mrs. Albert D. Brockett announce the engagement of their cousin, Miss Martha Townsend Brockett, and Mr. Theodore Irving Coe, of New York, formerly of Milford, Connecticut. The wedding will be in this city in the early spring at the residence of Mr. A. D. Brockett.

Mrs. A. C. Weech, of this city, has been engaged in field work in Talbot county, Md., during the week delivering addresses at St. Michael's Royal Oaks and other points. The meetings are held under the auspices of Talbot county W. C. T. U.

Mr. Gordon Brown and Miss Della Gibson were married Thursday night by Rev. Dr. Fisher at the Baptist Church parsonage.

Thanksgiving Day Services.

The Union Thanksgiving service of the M. E. Church, the M. E. Church South, the M. P. Church, the Baptist and the Second Presbyterian Churches will be held in the latter church next Thursday (Thanksgiving Day) at 10:30 a. m. The sermon will be preached by the Rev. J. H. S. Ewell. The collection, as usual, will be for the benefit of the Alexandria Hospital.

LOCAL BREVITIES.

Christmas is but a month off. Work is progressing rapidly on the new ice breaker now in process of construction about the light station at Lower Cedar Point, on the lower Potomac, below this city.

The Thursday Night Assembly will give a dance Thanksgiving night at McBurney's Hall. The committee in charge of this affair are Messrs. Jerome Kaufmann, Harry Dachsager and Henry Steiner.

As is announced in an advertisement in the Gazette, Rev. E. H. Swem, of Washington, will deliver a humorous lecture in the Opera House Tuesday evening next for the benefit of the Junior Young People's Union of the Baptist Church. His subject will be "Do Men Love Women, or Are Men Really Lovers."

The Exact Thing Required for Constipation.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," say R. S. Webster & Co., of Utopia, Ontario, Canada. For sale by Gibson & Timberman and W. F. Creighton & Co.

Saved by Dynamite.

Sometimes, a dining city is saved by dynamite a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake night. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At E. S. Leadbeater & Sons' drug store, price 50c and \$1.00; guaranteed. Trial bottle free.
